 2026

— Thursday, September 10 —

ALBERTA'S  
INDUSTRIAL  
HEARTLAND

# AIHA ANNUAL CONFERENCE

## About the Conference

Join more than 1,000 leaders from across Canada and beyond for a full day in Edmonton—where real conversations happen, big ideas get challenged, and the connections you make actually matter. We'll dig into what's driving growth in Alberta's Industrial Heartland, from major projects taking shape on the ground to the policy shifts and investment opportunities you need to know about.

Over breakfast, lunch, and a lively closing reception, you'll have plenty of chances to sit down with industry experts, decision-makers, and elected officials—not just exchange business cards, but actually talk. Expect honest keynote presentations, candid panel discussions, and stories straight from the organizations doing the work.

Whether your goal is to build relationships, gain a competitive edge, or stay informed on the trends shaping the future, this event delivers the insights—and the access—you need to move forward with confidence.

### Alberta's Industrial Heartland (AIH)

Located northeast of Edmonton, the Industrial Heartland is a 582 square kilometre region. This is the economic engine of Alberta and home to chemical, petrochemical, oil and gas facilities, providing fuels, fertilizers, power, petrochemicals and more to provincial and global consumers.

### Sponsorship and Registration

Sponsorships and tickets sell out every year, so act quickly! Follow us on LinkedIn to hear first.
